## New Look In Law Enforcement

Fountain Hills Law Enforcement changed effective July 1<sup>st</sup>. The Maricopa County Sheriff's Office assumed all duties previously handled by the Marshals Department. An entirely new division was created to handle the added responsibilities. The Community Policing Division, consisting of five additional deputies, will shoulder the added duties.

"We are extremely pleased to be given this opportunity", said Sheriff's Captain and District Commander Scott Penrose. This law enforcement model will streamline the responsibilities while increasing communications and community involvement. In addition, the Town saved approximately \$800,000 from last year's law enforcement budget.

Citizen's wishing to contact the new Division can call the 480-837-8800 number. Citizens wanting to report a crime or those needing the assistance of a deputy should call Sheriff's dispatch at 602-256-1011.

Division Supervisor, Sergeant Barry Roska, will oversee:

- Code enforcement
- Block Watch
- Neighborhood alliance
- LEAP
- Community Services
- Youth activities & education
- Municipal Court security
- First responder for animal enforcement
- Traffic enforcement and statistics
- Law enforcement administration
- Crime prevention

## New Program for Code Enforcement

For many years the Town Marshals Department provided zoning and ordinance enforcement for the Fountain Hills community. On July 1<sup>st</sup> of this year, the code enforcement functions previously performed by the Marshals Department were transferred to the Town's new Code Enforcement Services division.

The primary goal of the program will be to work with citizens and business owners to gain voluntary compliance to Town codes, which were enacted to maintain property values and to protect the public's health and safety.

## New Program for Code Enforcement

The Code Enforcement office is located in Building C of the Town Hall offices, 16836 E. Palisades Blvd. Officers may be contacted at the office Monday through Friday from 8:00 AM to 5:00 PM. Additionally, citizens may request code enforcement services by calling 837-8800.

Code enforcement staff will respond to citizen complaints as quickly as possible; however, if you experience a delay regarding your requests for service during this transitional period, we would appreciate your comments. You may contact the Town's Code Enforcement consultant, John Poole, who is supervising the development of this program at 816-5191.

We need your assistance and cooperation in making this program successful. Let's all work together to maintain the exceptional quality of life that we enjoy in Fountain Hills.

## McDowell Mountain Month Celebration

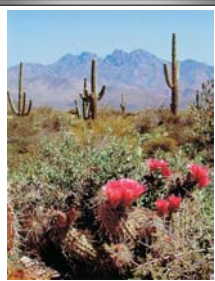

The fun begins on Sunday, October 5<sup>th</sup> with our Annual MMPC Open House. This year we will present the first public review of our Central Trailhead Design. Be sure to come and study the J2 Engineering renderings that will illustrate just how they have planned a landscape hillside hide-a-way to minimize land disturbance, yet still providing parking for 40 cars and a school bus. We look forward to your comments and input.

Additionally, we have scheduled half hour programs with show-and-tell presentations as follows:

-  Libert Wildlife Rehabilitation Foundation. This is one for the whole family to enjoy.
-  The Arizona Puppet Theater will entertain children and their families with its presentation of *Hotel Saguro*.
-  REI will provide us all with a guide to the essential considerations and preparations when planning for a hike in the beautiful outdoors.
-  Nature picked out plant life in our Preserve, but what are your options for a xeriscape landscape plan? We will hear from an authority on desert landscaping.
-  Can you identify the desert plants? We expect Maricopa County McDowell Mountain Park will send its popular trail guide, "Crash" Marusich, to give us a full report on all that our Mountain Preserve offers.

The Open House opens at 1:00 p.m. on Sunday, October 5, at the Fountain Hills Community Center. There will be a display of the Photo Contest monthly winners and announcements of the overall 2003 Winner of the Year.

There will be representatives from the Parks & Recreation Department and Arizona Trails who will be available to answer questions about program activities, scheduled hikes, and volunteer opportunities.

Donald Disbrow,  
April Photo Contest  
Winner

Information on membership and activities sponsored by the Sonoran Conservancy and Volunteers for Outdoor Arizona will gladly sign you up for their fall season activities. These organizations train volunteers and schedule trail building in both our own Preserve and other Arizona locations.

### *Dogs in Parks-- Get the Scoop on the Poop!*

Town Ordinance 01-16 requires dogs to be on leash in Town parks except when pets and pet owners visit the Off-Leash Recreational Facility at Desert Vista Neighborhood Park. In addition, dog owners are required to remove their pet's feces immediately after it is deposited by the dog. Pet owners can find various doggie bag dispensers filled with waste bags located throughout Fountain Park and Desert Vista Neighborhood Park that can be used to pick up dog waste.

### *Help Us Keep Town Parks Safe and Clean!*

The Fountain Hills Parks and Recreation Department, requests your help in maintaining the beauty of the local parks. Please report any vandalism, unsafe facilities, public intoxication, or questionable behavior as soon as possible to the Maricopa County Sheriffs Office by calling 911 for emergencies or 602-256-1000 for non-emergencies. All other concerns can be directed to the Fountain Hills Parks and Recreation Department at 480-816-5152 during regular business hours. Thank you for your cooperation.

### *Park Maintenance and Vandalism Affects Everyone*

Day-to-day park users are the single most important factor in keeping our parks clean and operational. Picking up trash, reporting vandalism, cleaning up after pets, and generally keeping eyes and ears open will help us continue to keep our parks in their best possible condition and make them an enjoyable as possible for our patrons. Vandalism causes facilities to be shut down, programs to be cancelled, and users fees to rise. Our Park Maintenance Staff and local Law Enforcement work hard to keep parks safe, clean, and operational for all of our patrons to enjoy. However, we need your help! If you see something out of the ordinary or see someone abusing our park facilities, please let us know. You can contact the Parks and Recreation Department at 816-5152. Thanks again for keeping an eye on our parks.

This summer, The Parks & Recreation Department worked on upgrading its Registration & Facility Booking software to allow payment of programs, and park and Community Center facility bookings to be paid for by Visa, Mastercard, and Debit Cards. We hope to have this new payment process implemented beginning October 1, 2003.
